Experience

Dr Kua Jieli is a Senior Consultant Cardiologist specialising in interventional cardiology and serves as the Medical Director at Carrington Cardiology. With extensive experience, he has performed over 5,000 invasive coronary angiographies and percutaneous coronary interventions, managing complex cardiovascular cases including left main disease, chronic total occlusions, and calcified lesions. He has received prestigious awards, including Best Case Presenter at TCTAP in both 2023 and 2024.

Advanced Training

Dr Kua is a visiting consultant at the National University Health System. He was previously a senior consultant at both the National University Heart Centre and Ng Teng Fong Hospital, where he was the former Director of the Cardiovascular Catheterisation Laboratory. He also led the Post-Myocardial Infarction (Heart Attack) Clinic, which plays an instrumental role in the optimal recovery of patients who have suffered a heart attack.

Clinical Leadership

After earning his Bachelor of Medicine and Bachelor of Surgery (MBBS) from the National University of Singapore, Dr Kua was awarded the Health Manpower Development Plan (HMDP) fellowship from MOH and completed advanced training in interventional cardiology at Hammersmith Hospital, known for its advanced treatment of cardiac diseases in United Kingdom. He gained experience in complex procedures while keeping updated with the latest research.

Teaching and Awards

Dr Kua Jieli is dedicated to education and has been a Clinical Lecturer at Yong Loo Lin School of Medicine (NUS), Lee Kong Chian School of Medicine (NTU), and the National University of Singapore since 2013.

Research and Publication

Dr Kua has been a Clinical Lecturer at the National University of Singapore since 2013, contributing to medical education and receiving recognition, including the Best Case Presenter awards at TCTAP in 2023 and 2024. His dedication to research is evident in his numerous publications in top journals such as the European Journal of Cardiothoracic Surgery and the European Heart Journal. Additionally, his findings have been showcased at esteemed conferences like TCT, TCTAP, AICT-AsiaPC, and EuroPCR, where he has received awards for his contributions.

Dr Kua Jieli's dedication to clinical excellence, education, and research makes him a recognised leader in cardiovascular medicine, committed to the highest standards of patient care and medical advancement.
